Each student, whether he be Student Body president, or Chess Clan president, has contributed to the spirit at Ben Lomond High School. There are several organizations that add to the success of B.L.: the National Honor Society, ROTC, sports, choir, clans, Senate, and many more. Each of these organizations has spent many hours of rehearsing the concert, drilling, studying, and practicing to be the best. Often it's a difficult road to success, but each student at Ben Lomond at least strives for it. There have been quite a few successful graduates

from Ben Lomond: Dr. William DeVries, the successful heart surgeon; Glen Hubbard, Atlanta Braves 2ND baseman; Richard Stallings, United States Congressman for Idaho; Rob Remkes, F-16 fighter pilot, graduate from the Air Force Academy; and Rich Clifford, Astronaut Corps, professor of Thermo-Dynamics at West Point in Annapolis, Maryland. Ben Lomond's greatness comes not only in those who have already succeeded, but also in all of you who will succeed in the future because you... Give It All You've Got.

Taking time to enjoy high school life is often forgotten.
We could take pride in our team this year.

The Spirit Clan supports the team at the Iron Horse Game. Coach Johnson does all he can to make Ben Lomond a great school.

Michelle Brown gives a pep talk during one of the assemblies. Even at play, Jamie Youngman works hard.

and Hoot Mon

As the long, hot summer comes to a close, and the school year is about to start, students frantically go about obtaining the perfect, deep, dark tans, the almost missed vacations and getting in on as many soaps as humanly possible. The shopping malls suddenly become packed with frantic mothers trying to find the bargain on a pair of 501's. No one really wants to think that another summer has just gone by. Teachers all start showing signs of insanity again, after spending hundreds of dollars on psychiatric help and Mediterranean cruises. The inevitable finally happens. When the last of August hits, school starts. (The two dirtiest words you could say to a student are "school starts.") To help things out, the administration gives us a stomp to get back in touch with friends we haven't seen since last May. Because the Scottish words "hoot mon" mean hello, we call the dance the Hoot Mon Stomp. This year it was held after school started instead of before, but this activity worked out well anyway.

Jackie and Heather can't find male partners so they dance with each other.

Crowded in the new gym . . .

Scots begin the year.

This year the Scots came back to a little different scenery for the traditional Opening Assembly. Due to the fact that the big gym was painted this summer, the assembly was held in the girls' gym.

All of the officers joined in a military-style skit for a roll call and gave their views on the new year. The teachers attempted a tug-of-war match. The Performing Arts did a well choreographed dance.

The Bonnie Lassies performed a drill and acted out a skit that they had made up. No one will soon forget that Valerie Bielik voiced her intentions to smoke in the boys' room.

The Mascots and Cheerleaders did their part to try and help raise the spirit of the Ben Lomond student body. Mr. Sant gave the principal's forever optimistic hopes for the coming year.

Everyone who helped with the Opening Assembly deserves congratulations. They did an excellent job of continuing the tradition of outstanding Ben Lomond Opening Day Assemblies.

REGISTRATION

School Starts

Summer Ends

After the much too short summer, we found ourselves having to start heading back to school. But before we started going to classes and hitting the books hard, we had to register. Registration is the wonderful time that every student looks forward to, spending one of our precious few summer days standing in lines with the temperature exceeding 100°, and going to 6 to 10 different lines depending on how much money the students want to spend. The administration decided to add yet another line this year. Instead of having lockers assigned in our advisory classes, we were assigned them at registration. The administration and student body officers greatly helped us through this day.

A bird can help even Chris Ward's day be better.

Stacy Syphers loses two summer days but says, "What the heck!"
The pressure leads to Rob Wilson's and Rob Puzey's insanity.

There are always a few who try to get out of registration.

After not being able to get a date, Darin Youngman lowers himself to modeling.

IRON HORSE

Week

Iron Horse week was a week of fun and excitement. We had more of the Student Body participate this year than we've had for quite some time. On Monday the Student Body took part in a shade day, and that night the young men asked the young ladies on a crazy date. Tuesday was pirate day and after school a treasure hunt. The car that won consisted of 5 men: Jeff Hass, Rich Jackson, Gavin Cook, Val Christensen, and Jeff Stock. Wednesday was nerd day and pizza night. Thursday the Scots participated in a "Morn the Tigers" day and wore black. After school several people showed up for the bumper bash. They decorated their cars and drove bumper to bumper down 7TH Street. That night there was the traditional Powder Puff Game in which the seniors won as usual. Friday nearly the entire Student Body wore red, white, and blue. At 1:30 was the Ironhorse Game in which Ben Lomond came on top over Ogden and won 33 to 18.

IRON HORSE

Week

The Iron Horse Game started with a stunning blow to the Scots. On the kickoff, an Ogden man returned the ball for a touchdown, and an early lead for Ogden 0 to 6. This didn't set back the determined Scots team. They dominated the game from this point on. The game went down in history as the Eddie Green Show. If we wanted a first down or a score, all the quarterback had to do was to hand the ball to Ed. Eddie couldn't have done it alone though. It took the work of a great quarterback like Shaun Palau, receivers like Gerald Broad, Rich Jackson, Paul Watkins, Val Christensen, Marty Baker, and many more. Both of the lines helped crush the Tigers in the stunning 33 to 18 victory.

Moving the ball was no hard task in this game.

Week

Homecoming Week was filled with fun and excitement. Some of the week's activities were Pizza Night, Pee Wee Herman Day, and Spirit Day. Wednesday evening many of the Scots took part in a Polaroid Party in which they went around to certain scenes and took pictures. Each group had approximately six or seven people, with a One-Step camera. Friday the Scots attended an assembly with great enthusiasm. The Homecoming Assembly was the first assembly on the newly painted gym floor. The Homecoming Royalty was announced. The King and Queen were Darin and Jamie Youngman. The 2nd Attendants were Jeff Hass and Kathy Furlong. The 1st Attendants were Rob Puzey and Danielle Miller. In the game the Scots were victorious against the Sky View Bobcats. The Homecoming Dance was from 8-11 p.m. The colors were peach, blue, and ivory. "Tracks" was the band and Lund Floral was in charge of the decorating.

Game

The Scots' victory during the Ogden Homecoming (also the Iron Horse) was a great booster for our morale. The win over Mt. Crest in their Homecoming Game made us really smile. But the great feeling couldn't be matched when we won our own Homecoming game against Skyview. The 21 to 14 score really made our deserving hearts and heads swell.

By the proud looks on the coaches' faces as the final seconds counted down, we could tell this was another one to chalk up for the Scots!

King and Queen crowned Youngman

The Youngmans took the top Homecoming Royalty spots. Darin Youngman was this year's Homecoming King and Jamie Youngman took the crown of Queen. The 1ST attendant honor was given to Jeff Hass and Cathy Furlong, while 2ND attendant went to Rob Puzey and Danielle Miller. The crowning of the Queen during the assembly was done by Jana Lee Carlson, last year's Homecoming Queen. The assembly had great support from students and

alumni. The Senior Class officers planned a great assembly. They had the traditional egg toss, which the seniors won again. There were also cold seats where four people sat on ice blocks. The football team's win over Sky View made the Homecoming Dance that much more enjoyable.

Kathy Furlong and Danielle Miller was escorted in Mrs. Close's yellow convertible. Jeff, Darin, and Rob were honestly having a great time.

FROM CRASHES TO CONCERTS . . .

The disease that has spread through homosexual activity and dirty needles by drug users, Aids, has left the nation shocked and lost for answers. No cure is seen in the immediate future.

After months of suffering and trying to find a cure, Rock Hudson died in his California home of Aids. Many friends, family members and fans mourned his death.

In October, President Reagan underwent surgery for cancer on his nose. When he was approached by the media, he explained why the bandaid was on his nose. At the time of the surgery, he was 72.

This summer the Live Aid Concert raised money for famine relief. The concerts were broadcasted simultaneously from Philadelphia and London. The concerts lasted 16 hours with many super stars performing. The concerts were seen in 150 different countries.

On November 8, 1985, President Spencer Wolley Kimball died of natural causes in his penthouse. He served for 12 years as the President of the Church of Jesus Christ of Latter Day Saints. Church members all over the world mourned his death, and the world expressed regret and sympathy.

This November, Ezra Taft Benson was ordained the new president of the LDS church, during a special news broadcast. It was announced to the world that his counselors were Gordon B. Hinkley, and Thomas S. Monson. Many people questioned the calling of the new prophet because of his past experience in the government. The age of the new prophet (82) brought up questions also.

WHAT MADE NEWS IN '85.

In November, Ronald Reagan and Mikhail Gorbachev met for the first time in Geneva, Switzerland, to discuss the differences between the two superpowers. Great progress was made between the two leaders.

A big issue this year was President Reagan's "Star Wars" plan. It is said to be programmed to destroy incoming missiles through the use of high-powered lasers. Much controversy has occurred over this plan.

In October, a Soviet KGB agent, Vitaly Yurchenko, defected to the U.S. He relayed information to the CIA about other spies in the U.S. Government. He re-defected back to the Soviet Union and said that the CIA tortured him into relaying the information.

The Chicago Bears lost their 12-0 winning streak by losing to the Miami Dolphins. During the game, Walter Payton gained the honor of having 8 consecutive games with 100 yards or more, setting a new all-time record. Dan Marino was awarded the most valuable player award in the game.

In November the royal couple visited the White House. They attended a few banquets and a church service. In Florida they attended a dinner where the tickets were sold for \$25,000 a couple. If you wanted your picture taken with them, the price went up to \$50,000 a couple. All the money was donated to a college in Mexico City.

1985 will go into the record books for being the worst year in aviation history. Five major crashes have occurred, killing 1,948 people, more than any other year in aviation's young history. Tragedy started with the Liberia Air Lines Boeing 727 crash, and extended to the most recent of the Arrow Air DC-8, killing 248 soldiers of the 101ST Airborne Division.

Dance

Every year the Scots take part in a casual bash. This year was no different. The annual Morp Dance was held on January 24. Several of the students dressed up in creative outfits. The main idea was to dress opposite of the Prom. The dance was put on by the Inter Clan Officers who did a terrific job. The new gym was decorated with blue and white toilet paper. There

was root beer slush to drink. Balloons, streamers and a fountain with sundaes served as a background for the pictures. The theme song was "Party All the Time" by Eddie Murphy.

Even the best dances seem to have some boring times.

Darin Youngman seems to be involved in every activity this year. Trying to act serious is hard for Stacy, Mindy, and Peggy.

On December 20th, the last day of school before Christmas vacation, we had the annual Christmas Assembly. The Performing Arts Dance Group performed for a large portion of the assembly. They set the mood for the oncoming holiday spirit. Each of the dances was performed with great skill. It was quite obvious that the dancers were young professionals. The Modern Choir also performed Christmas music: "Jingle all the Way", and "Santa Clause is Coming to Town". They were excellent in stage performance also. The Drama Clan did a skit in which they had the entire audience laughing. Of course, we can't forget the annual Suzy Snowflake crowning. Ed Green handed his office over to the one and only, Michael Harris. Santa Clause came and brought many Christmas lists from those who wrote to him. To round everything up, the student body officers sang a song, "I Ain't Gettin Nothin for Christmas". For the final number the Concert Choir circled the auditorium and sang "Still, Still, Still" to wish the Scots a Merry Christmas and A Happy New Year.

ROB PUZEY, calling for his lost sheep.
 SANTA CLAUSE, Coach Johnson, reads a Christmas list from one of his faithful believers.
 SANTA AND his helper laugh over the letter that says Sergeant Ross wants a new Rambo Set.
 MISS JULIE says reach for the sky.

"SO EUGENE wouldn't kiss me, he will next time I ask!" says Raquell Potts.

Lives

As sands through the hour
glass so are the
days of our lives.

As we begin the adventures of our friend "the Scot" he is being rudely awakened by his blaring clock radio. Little does he know his dramatic day has only begun. Waking up late (and on the wrong side of the bed) "Scottie" finds his whole morning a not so pleasant one. Breakfast consists of a Twinkie and Coke, for "Scottie". He travels to school on foot. The first period tardy bell rings and he is found in his seat ready for a vigorous day of work. Minute by minute the day continues until the anticipated, long awaited, 2:30 bell finally rings its blaring voice through the empty, but soon to be filled, halls.

Scottie, fighting his way through naive freshmen, hyper sophomores, preppy juniors, and classy seniors, finally makes it to his locker, where homework is waiting-homework, that may ruin his social life forever.

"I think I am, I think I am-a stud"?

Grandma said, "My what a big head you have."

Brent Cleveland says, "Look mom I actually might graduate."

Rub-a-dub-dub, Jeff in his tub.

Can I help you??

Christy Graff expresses her feelings about life in general. School lunch makes every day exciting.

SCOTS

WEEK

Scots Week was full of fun for the studentbody. Monday was ski day at Snow Basin. Everyone showed up for a day on the slopes. Tuesday we had a beach party at our swimming pool. It was time for digging through drawers to find the swimming suit everyone thought wouldn't make an appearance until June or July. The turn-out was great. On Wednesday we met at Peter Piper Pizza for a pizza party. It seems as if pizza nights are becoming a tradition of Ben Lomond. Thursday was movie night. We met in the auditorium and watched "Take Down". A movie about the struggles and triumphs of a high school wrestler. Friday night was the victory game against the Ogden High Tigers with the score of 80-70 made the week complete.

Even new wave scots look friendly.

This is not the kind of BIG HUNK I mean.

I'm glad Scots Week is over.

A thoughtful Scot remembers a hectic Scots Week.

They told us this was a likely place for BIG HUNKS.

Has Scots Week begun yet?

Isn't this Scots Week?

Dance

"One Bright and Shining Moment"

This year's Sweetheart Ball was a big success. Many were in attendance. The theme song was "Lady" and it was performed very well by the musical group, Amber. The scene was set in the medieval ages with a exquisite castle. Many girls' dreams came true when they went with their prince charming. We would like to thank the Student Body officers for making the Valentines Dance the best it could be.

Tes Chournos happily prepares the memento's.

"Little Boy Blue blows his horn."

The false ceiling made the dance a more intimate evening.

C L A S S

Weeks

Throughout the 1985-86 school year, each class participated in their own class week. The spirit was overwhelming and left the Scots in an uproar. The Freshmen Week was held during the Homecoming Week. The activities included Pizza Night, Crazy Date Night, Movie Night, and Red, White, and Blue Day. The Sophomores held their week in January and the activities were Taco Time Night, Crazy Date Night, Movie Night, Plaid Day, and 501 Blues Day. The Junior Class Week was held during the week of the Junior Prom. The Seniors held their week at the end of the year. This week included the traditional Senior Cotillion.

You've got to be kidding!
"Oh, so that's what it looks like."

The spirit of Ben Lomond.
"Ha, ha, ha, if you only knew what is in YOUR candy bar."

GATHERING

of the Clans

The Inter-Clan officers did a great job in organizing our Gathering of the Clans Assembly. The crowd was really spirited and added to the excitement. The basketball team was introduced and the captains gave the student body a pep talk on how they would massacre the Tigers that afternoon. Several clans got into the spirit with activities. The Ski Clan had a relay race where people dressed up in boots, hats, scarves, etc. and raced the length of the gym. The Juniors won this one. The traditional pop guzzling contest was held, won by Jeff Peterson for the Seniors. The Bonnie Lassies and ROTC had their annual drill-down. The ROTC won again. This year a great new tradition was started at Ben Lomond. The Scottish Regiment has added a bagpiper, Mark DeVoe, to the band. He played a solo for the student body and then played the school hymn along with the band and cheerleaders. A special thanks goes to Jill Hislop for all her hard work.

The cheerleaders attempt to get the crowd excited. The Pep Club tries to get excited at the assembly.

At the game against Ogden, Larry Cain prepares to pounce on Sean Mooney.

The pep band shows their spirit by playing the school song.

In the Gathering of the Clans everybody has the opportunity to get involved. Glen Williams says, Hey Preston, is this fun or what?!

McHawkins

The Sadie McHawkins Dance this year was held on March 21st in the new gym. This dance is girls' choice. It's a tradition to wear matching shirts with your date. The couples are temporarily married by Mr. Aaron and the ceremony includes marriage certificates and rings. The turn-out was good. Everyone appeared to be having a lot of fun. The music was by Scott Barker who did a very fine job. The theme song was "Heart Don't Fall Now" by Sawyer Brown. This year's dance was sponsored by all class and student body officers. The colors were blue, brown, and yellow and the pictures were taken by Colonial House Portraits.

GREASE

This year's musical was filled with talented young actors and actresses. Throughout the nine weeks of practice, several hours after school and many Saturdays were spent rehearsing and singing. They performed to the best of their ability to make the musical, GREASE, the best ever. GREASE was performed on March 6, 7, & 8, at 7:30 p.m. Nearly every night the student body was half of the audience. The support of the student body and the faculty was appreciated by the cast and their parents. With nearly a full house every night, the reaction of the audience was a great asset to those who were performing. The cast of GREASE would like to express their appreciation to all of those who attended and supported the play. Also a special thanks goes to the stage crew for the hard work and long hours of preparing the props and drops for the play. We would especially like to thank Mr. Aaron for the patience and endurance throughout the nine weeks of practice. Thank You Everyone.

SCOTS TAKE STATE

The headline read "Great Scots!" and the basketball team had proved that the Scots are indeed great. This victory was 35 years in the making. Never in the history of Ben Lomand had the Scots won the state Championship, until this year. The entire season had been a great one for the team. In December Coach Excell could see the signs of a true championship team. As the season went on and the record was at 20-1 going into the state play-offs, everyone could smell the sweet victory that was just four days away. The first state game against Carbon was no surprise. The only question was how much

would the Scots win by. The 57-76 final score let everyone know that we were ready for the title. The second game against Pleasant Grove was much like the first game with the final score 77-65. The Scots then traveled to the Special Events Center at the University of Utah and had no problem downing Cedar City 76-62. The team's final game against Timpview was their only close game in the play-offs. When the final buzzer rang, the scoreboard showed the Scots on top 85-82. As Eddie Green put it, "It's the greatest feeling I've ever had."

Dance

The Radisson was where the Prom was held this year. Every guy has to make the trip to get a tux. The dance wouldn't be complete without the flowers.

This year's Junior Prom was held on May 17th in the Radisson Hotel Ballroom. The dance was sponsored by the Junior Officers. It proved to be a very enjoyable evening for all who were in attendance. The colors were pink, burgundy, gray, and white. The music was by Trax. The pictures were taken by Colonial House Portraits.

SENIOR CLASS OFFICERS

DeeDee Baptist

When I ran for Senior Class secretary, I didn't know how much work I was getting into. With graduation, homecoming, and assemblies, the office calls for a lot of hard work and time. If I had the chance again, I wouldn't hesitate to run for office. I want to go on to college after high school. BYU would be my first choice and Weber State my last. I have really enjoyed going to Ben Lomond. I will miss it and the many friends I have made in the four years here. Good luck to the class of '86. We will always be number 1.

Rob Puzey

Being active in student government this year has been a lot of hard work, but it has also been very fun. From our activities in the summer to dances and activities during the school year, I have enjoyed being in student government with so many good friends. I'm proud to be a Scot and that Ben Lomond is a great school. I hope it continues to carry on with its great tradition of excellence.

Jamie Youngman

I ran for Senior Class vice-president because I really wanted to be involved this year. High school is a time for learning, growing, and having fun. When you get involved, you have more opportunities. We, as the Senior Class officers, were in charge of graduation for the class of '86. I have enjoyed my four years at Ben Lomond and I plan to go on to college. I love Ben Lomond and I am proud to be a Scot!

Junior Class Officers

Being in office has been a great experience. It helps me get involved in school activities, and gives me the opportunity to meet new people, and have a greater appreciation for the administration and faculty.

Leslie and Matt are real fun. We all work together to help make B.L. #1!!!

Chad Parkinson

I ran for office so I could help the juniors get a lot out of this school year. I would like to run for office again if I have the chance because I learned a lot about the administration, I got to know the students better, and learned a lot about responsibility. I've come to understand the school better and I have really felt involved. Chad and Matt were really great to work with.

I am glad I was elected as your Junior Class President. I am proud to have been able to represent the great class of '87!

Leslie Ridenhour

Being a part of the student government is exciting and has a lot of challenges and hard work. I had a lot of good ideas for this year and being in office put them to use. Leslie and Chad really listen to what I have to say, and they support it and then we combine our ideas.

Putting an idea to work is a reward in itself because it's showing me that I'm contributing to keeping B.L. on top!!!

Matt Kammeyer

What is a Junior?

Jay McEntire-A person in the 11th grade.
Brent Higgs-A person who has gone to school for 12yrs. and has 300 days to graduation.
Stephanie Reed-Someone caught between being pushed in a swing and being pushed into college.
Shane Marcus-Someone who follows a Senior.
Menah Hansen- Someone who has only one more year 'til graduation.
Travis Truman-A stud!!
Jennie Bednarik-Someone who is pretty scared about the future.
Tina Bingham-The best people in the school!
Holly Luby-A human being.
Jason Kelly-A way to escape happiness!
Wendy West-The Junior class is the better class, but next year the Senior class will be!
Lori Epperson-Someone who knows how to get the best of the Freshman.
Laura Littleton-The class that's always on top!!
Christy Carreola-The best of all the rest!
Jakki Hill-The class that's #1 for the year of '87!
Dana Sidwell-The Junior class of '87 knows how, when, and where to party!!
Jamie Garcia-Almost all the way!
Leslie Ridenour-ME!!!
Alan Christensen-Next years Senior.
Curtis Cox-We're tough right now but next year we rule!
Lynn Mulhall-A stud like me!!
Jamie Day-A guy with the same name as his father.
Shayne Morris-Someone who has been in this "hell hole" for three years too long!!
Christy Huff-Someone who's getting anxious to graduate and successfully move on in life.
Carla Bethel-The class that made this year great and will make next year even better!
Wendy Baker-Someone who fills their days with memories, strives to be the best they can and who learns with the knowledge that they soon must walk away from childhood into new beginnings.
Jodie Douglass, Jodi Close, Kim Srisa-ad-
When '86 is dead and gone,
'88 will party on,
'89 will think they're cool,
But '87 will always rule!!!

What do you like about being a Junior?

I'm able to pick on the Freshman.

Do you think Mr. Garrett is doing a good job with attendance?

It is going to make the kids want to drop out.

If you were Mr. Garrett what would you do to keep the kids out of the halls and in class?

Get rid of the books and give every teacher a stereo and say "IT'S PARTY TIME!"

If you could add a new sport to the school, what would it be?

Girls softball team.

What do you want to be when you grow up?

"A ROCK STAR."

Do you think Mr. Garrett is doing a good job with attendance.

Sort of, but he hasn't caught me yet!

If you were Mr. Garrett, what would you do to keep the kids out of the halls?

Tell them I'm a pervert and walk up and down the halls in a raincoat!

Who does Mr. Garrett remind you of?

Frank Burns on M*A*S*H*.

Who is your favorite teacher and why?

Mr. Edwards, because Dave and I think he'd be willing to party with us.

What could you, as a student, do to help the leaking in the English wing?

Super glue the freshman into the holes to clog them up.

If you could start a new clan, what would it be?

"The Party Clan!"

SOPHOMORE OFFICERS

Jennifer Smith
Secretary

Arlene Zisumbo
President

Christy Graff
Vice president

Sophomore class officers for this year were Arlene Zisumbo, Christy Graff, and Jennifer Smith. One of their main goals during the year was to get the sophomores more involved in the school activities. The officers worked hard together to make this a great year for the sophomore's and for the entire school.

The sophomore spirit bloomed as the officers focused their attention on "Sophomore Week." Monday was Taco Time Night. Students gathered with burritos and tacos for a swell evening. Tuesday found the Scots decked out in Levi 501 Blues. That night was movie night at Mann Theater. Wednesday, Boy George would have had a "hayday" because it was opposite-gender day. Thursday was full of Scottish pride. We dressed in any form of plaid possible. Friday, white, and blue were the popular colors of wardrobe. Thank you, Sophomores, for making this week a great one for us.

What is a "Sophomore"?

A sophomore is a mix between a spastic freshman and a conceited junior. He finally finds out that trusting a senior is a big mistake, because the senior will probably send him to the wrong school, if possible. A sophomore has many goals but none of them are worth talking about, intelligently. Although he has a simple life, his brain is quite complicated, for that little skull of his commands a fascinating machine always in use. One thing a sophomore has accomplished is he finally attends the right classes. Maybe with the wrong book, and during the wrong class period-but the right class. Actually sophomores don't get enough credit. This particular sophomore class has enough spirit to conduct it's own pep rally, which they do in every assembly. Seriously, being a sophomore isn't that bad because now he only has two years until he's a senior. Many sophomores have been asked "What's the best thing about being a sophomore?" The typical response was, "A sophomore? What's that? I'm a tenth grader!!"

Standing with spirit,
proud and great.
Fighting Scots of '88.

THE INTERVIEW

ARLENE ZISUMBO

When asked why she ran for office, Arlene replied that she wanted to get more involved with school and be in charge if her class. Arlene's goals are to have more sophomore activities and get students more involved. Her hobbies include softball and skiing. When she was in the 7th grade she received the honor of the "Student of the Month" award. Arlene's favorite class is history because she likes to learn different things from the past. Arlene enjoys working with Christy and Jennifer because they are easy to talk to and they have a lot of fun when they work together. Arlene's responsibilities include notifying her officers when they have meetings and making sure they attend. Arlene is required to attend the Senate meetings.

CHRISTY GRAFF

Clansman: What are your main goals as a Sophomore?

Christy: My main goal this year as an officer is to get more of the Sophomore Class involved. I want them to know that school is good and fun.

Clansman: What is your favorite class?

Christy: My favorite class is probably my geometry class.

Clansman: Why did you run for office?

Christy: I ran for office because I think it's a good experience and I hope that I can do a good job.

Clansman: What are your responsibilities as Vice President?

Christy: My V.P. responsibilities include pretty much going to meetings, giving my ideas, and doing what the President asks.

Clansman: What do you hope to succeed in?

Christy: Like I said before, I mainly want to get as many kids involved as I can and get the Sophomores a little better recognition.

THE INTERVIEW
JENNIFER SMITH

What I enjoy most about being a Sophomore Class officer is the opportunity to be more involved with Ben Lomond and the people here. It's great to be involved and meet new people, it adds a lot to the excitement of being in high school. This year, we Sophomore Class officers hope to succeed in getting more activities for the sophomores. We're not recognized enough or given as many special privileges. We hope to get some assemblies and activities to make our sophomore year as fun as possible. I enjoy working with my fellow officers. Christy and Arlene are great and have good ideas. The junior, senior and student body officers have been great in supporting us and giving us ideas.

THE INTERVIEW

DEBBI PARKINSON

Debbi has developed definite likes and dislikes. She likes hamburgers, pizza, milk and German pancakes. She dislikes practically everything else. Most people think she is very shy but around home and people who know her, she is very outgoing and LOUD!!! She played basketball as a Freshman. She enjoys sewing, shopping, and polishing her fingernails.

Sophomores enjoying the Hoot Mon Stomp.
Some people just can't help being beautiful.

Did you boys do that all by yourselves?
Tonya, are you having a rough day?

Nicole and Tina going for the gusto.
Danielle and Suzanne heading for home after a hard day at school.

Freshman Class Officers

Kari Stacey

Being elected to office was something that I have always wanted to do. I like to have an opportunity to give my ideas for things to do. Getting the Freshman Class to be loud and spirited wasn't a hard thing to do considering there were over 400 of us, but still there is always room for improvements and that is what I tried to work at. I had a lot of fun with Stacey and Heather and I hope someday to hold another office with them.

Heather Kunzler

Being elected Freshmen Class president started off a great year at Ben Lomond. I have come to know and appreciate the administration, the faculty, but most of all, the student body. I care about what goes on in my school. Making decisions and giving ideas make me feel important. Working with Stacey and Kari is great fun, too. I think we will work together. Thanks Scots for making my freshmen year a success!! The class of '89 is "great" and good luck to the class of '86!

Stacey Baptist

I wanted to be Freshman Class Vice-President because I wanted to be a part of the school, and get to know most of the people here at Ben Lomond. Planning the Freshman Week was something I really enjoyed. At this time, I don't plan to run for any office in the future, but then again, things might change and I might decide to go for another office. It's been a great year!

What is a Freshman?

Oh, the ninth grade! That time in life we all have to go through, the confusing time of that rude awakening of receiving a name tag saying, "I'm a freshman!" Freshmen come in all shapes and sizes, with as many different personalities as there are freshmen. No one else but a freshman can run all the way to class, sit down proudly because he beat the bell one more time, and finally realize that he brought the wrong book again. No one else will, nearly in tears, try to tell the principal that his locker is jammed. No one else will stand at the end of the long lunch line, then when he reaches the front, realize he forgot his lunch ticket. All in all, no one but a freshman can get away with so much by using just one excuse: "How was I supposed to know? I'm only a freshman!" But what really is a freshman? Well, when it comes right down to it, one step behind a sophomore, way behind a junior, and not even close to being a senior! But all you freshmen out there don't worry. It's almost over and think of all the fun you had while you were a freshman! This year's Freshman Class officers are President, Heather Kunzler. V.P., Stacey Baptist, Sec. Kari Stacey.

You mean to tell me, I'm really a freshman?!!

THE INTERVIEW

MICHELLE BLAISBELL

When Michelle Blaisdell was asked what some of her goals were at Ben Lomond, she replied, "Take first in a state track or crosscountry meet, play on the basketball team, and get a 4.0." Some of the things Michelle likes about going to Ben Lomond are, being able to go to football and basketball games, having different classes each day, and meeting a lot of new people. One thing she doesn't like is everyone making fun of the freshmen. In her spare time Michelle likes to read, to play all kinds of sports, and to just have fun. If Michelle could change one thing at Ben Lomond, she would get more of the student to support the assemblies and games.

THE INTERVIEW CORD DOMAN

Cord Doman's goal in life is to become a surgeon. Some of his hobbies are snow skiing, water skiing, and watching football and basketball games. In his spare time he enjoys going skiing with his friends, and swimming at Ben Lomond's pool. When asked what he likes about Ben Lomond, Cord's reply was, "I like the sports and dances." One of the things he doesn't like is the school lunches. He also added that, "I like Ben Lomond just the way it is."

THE INTERVIEW CARMELITA ROMERO

When Carmelita was asked what she thought about Ben Lomond, her reply was simply, "I really like Ben Lomond. It's a great school and all of my classes are fun." There was only one thing she didn't like and that was when the English Wing's roof leaked. When Carmelita gets out of school she would like to get into computer programming or she would like to get a place of her own where she could start a day care center. Some of Carmelita's hobbies are playing basketball, and drawing. Her other interests are babysitting, and singing.

Secrets in the night . . .

Yes, as a matter of fact, I DO dress myself in the morning. Why?

I can't believe you told me that.

Freshmen always have the hardest time getting their lockers to open.

Welcome to high school young freshmen, and the life of vending machines.

Only young juvenile freshmen don't know any better than to not eat school lunch.

Some think the foods room has turned into a homework hall.

Mr. Watson compares lunch to a ball of clay.
A faithful employee prepares a healthy, delicious (?), lunch meal.

Mr. Garrett can't help but smile when he finds out Bill the cat did not die of acne.

If you take my picture, I'll hit you over the head with my pan.

As a Ben Lomond "Scot" you should feel a strong sense of pride in what has been accomplished this year as a school and what you have personally gained as a student. This school is the greatest and the students and faculty are responsible for that.

Don Sant

As you reflect over the years accomplishments you will remember Ben Lomond High School as being the greatest. As a "Scot", always keep in mind your great sense of pride and know that you're giving your best in all areas.

Mrs. Ortega

I have been at Ben Lomond High School for three years and I'm so very proud of the students. The pride they show in themselves and in the school is evident from their actions. I hope that they can continue developing the pride so that their goals and dreams can be realized. There is no better high school in the state than Ben Lomond and that is because of the great student body that we have.

Marshal Garrett

Mrs. Mortenson

This is Mrs. Mortenson's first year of teaching here at Ben Lomond. Before becoming a teacher at Ben Lomond she taught at Md. Fort, where she taught typing and English for almost twelve years.

Here at Ben Lomond she teaches ninth grade orientation and ninth grade social studies. She also takes part as our advisor for the pep club, mascots, and cheerleaders.

Mrs. Mortenson graduated from Ben Lomond in 1964. She is now married and has three grown children. In her spare time she reads and crochets, and loves to eat candy. Her favorite color is blue, and one of her favorite things to do is travel.

Mrs. Smuin

This is Mrs. Smuin's first year here at Ben Lomond and her first year of teaching. She chose to teach at a high school because she enjoys teenagers and thinks they're terrific. She teaches Senior English and creative writing.

Mrs. Smuin is married and has three teenage daughters. Before becoming a teacher she worked part-time for a doctor along with raising her daughters. In her spare time she enjoys reading a variety of subjects. One of her favorite things to do is to go to the symphony. She listens to many varieties of music.

Mrs. Smuin graduated from Springville High School where she was a cheerleader for three years and was Homecoming Queen her senior year. Following high school she went to BYU for two years and then to Weber State for two more years.

Mr. Tuttle

Mr. Tuttle has taught school for the past nineteen years. Two years were spent teaching on the Navajo Indian Reservation. One year was spent teaching in the Davis School District. The remaining sixteen years have been spent here in the Ogden School District. He mostly taught at the junior high-middle-school level before coming to the high school.

"Those years were meaningful and enjoyable. However, I have long felt a need to communicate and teach at a higher level. For this reason, I am looking forward to the years ahead at Ben Lomond High School. I am most happy to be here and wish the best of success to every student."

Sherry Schneider

Ben Lomond High's "Construction Crew" is a new clan on campus dedicated to providing a support group mode of help to fellow students. We call ourselves the Construction Crew because we build bridges of communication between parents and teens, and build bridges to the future out of the raw material of today. Members volunteer as peer counselors with Community House, sponsored by Weber County Mental Health and PAAG. The Construction Crew also provides an improvisational theater troupe which stages and performs vignettes based on information concerning prevention and intervention of chemical abuse among teens.

BOYS AND GIRLS STATE

Boys' and Girls' State is a week of enjoyment and learning. Nearly fifty applicants were interviewed for Girls' State but only four were chosen. Those four were Lanette Barfuss, Kimberly Connell, Suzanne Taylor, and Vasthi Williams. The Boys' State participants were chosen quite similarly. They were chosen on the basis of good grades and ability to relate to others. The boys chosen for Boys' State were Jeremy Saenz, Lance Cobbledick, Curtis Wilken, Kwin Peterson, Daren Youngman, Chris Weston, Troy Sato, Robert Puzey, Lance Hawks, Mike Guerten, and Trevor Doman. The week of Boys' and Girls' State was June 9th - 15th. Girls' State was at Southern Utah State College in Cedar City and Boys' State was at Utah State in Logan. The week was filled with learning about the government and how the system works. There were elections held for Governor and Lt. Governor of the state. Also, in each city an elected Mayor, a chairman, and an assistant chairman were chosen. The week was enjoyable and we made friends that will last a lifetime.

NATIONAL MERIT

National Merit is a test taken by the advanced juniors. It consists of what would be found on an SAT test. The students are scored on a national level and those who achieve the level of the 98th or 99th percentile are chosen as National Merit semi-finalists. The tests are taken in the late fall of every year. Many Juniors attempt to pass the final level and several do. Those chosen as National Merit semi-finalists are Kwin Peterson, Daren Youngman, and Robert Puzey. Those three young men will go on to see if they can become National Merit finalists. We would like to congratulate these young men for their achievements.

Football:

the sport
of strength,
dedication
and pride.

This year's football team had a lot of goals to strive for and they succeeded in achieving most of them. The entire student body was proud to be Scots when the football team slaughtered the Tigers and brought the horse back home. Homecoming is always more enjoyable when you win and our team didn't disappoint us then either. They went to state and even though they didn't go all the way, the team gave enough that we could be very proud of them.

The football team doesn't stop with just the varsity. We have three more excellent teams. Our junior varsity, sophomore, and freshman teams all had great wins and demonstrated that Ben Lomond will have good football teams for many years to come.

The schedule for the Scots looked like this:

Roy	@ BL
BL	@ Davis
Murry	@ BL
BL	@ Ogden
BL	@ Mt. Crest
Sky View	@ BL
BL	@ Bonneville
BL	@ Bear River
Logan	@ BL

With the Iron Horse and Homecoming victories (just to name a few), the football team showed that they were dedicated to winning, had the strength to do it, and had the pride of the student body with them.

SCOTS

The wait was not long before the Scots punished the Tigers.

Shawn Palau rolls out to pass down field.

The Scots play hard even against the 2A school from Murry.

Ogden High was no match for Eddie Green.

It was a running game for the Scots again this year.

Row 1: Marc Fackrell, Frank Lopez, Troy Nelson, Vincent Berral, Cord Doman, Colby Grant, Aaron Tillett, John Gaaser, Dennis Valdez, Travis Stewart, Trent Olsen, Andy Callahan, Larry Montoya, Harold Herdon, Roman Hernandez, Dennis McCubbin

Row 2: Coach Christensen, Doug Lundgreen, John Danks, James Johnston, Brett Jarman, Curtis Hadley, Scott Ririe, Rod Judd, Troy Pro, Brad Durrant, Jack Gaskins, Lonny Gould, Scott Chadwick, Willie Harwood, Travis Smith, Coach Bingham

Row 3: Jason Bills, Steven Cook, Ricky Wallace, Darrell Bingham, Danny Quintana, Kelly Moore, Alan Ferrin, Alcindor Jones, Randy Chadwick, JR Todd, Andrew Nielson, Cory Prince, Chris Rogers, Chris Stanger

CROSS COUNTRY

Cross-country team

Row 1: Tara Wadman, Holly Luby, Michelle Blaisdale, Lisa Cordova, Lareen Jensen.

Row 2: Millisa Kitson, Shanda Gailey, Michelle Duncan, Walter Watchman, Nicole Ferrand, Preston Williams, Travis Truman.

Row 3: Gary Dunn, Eric Stephansen, Nate Lucas, Glen Williams, Steve Moore, Joel Chrisman, Dirk Koldwynn, Steve Child, Dave Udy, Kirk Hancock, Chris Wahlquist.

The Cross-Country team this year continued its long-standing tradition by doing very well in competition. You could find the team almost every day out running the streets on Ogden, unless the weather was bad. On stormy days the new gym's halls were packed with sweating, panting, stomping, half-insane, self-punishing, hallucinating runners.

Tarvis Truman runs to his grave (so to speak). Preston Williams makes a pass on his opponent.

Boy's Varsity

Row 1: Dave Udy, Joel Chrisman, Walter Watchman, Preston Williams.

Row 2: Nate Lucas, Eric Stephansen, Glenn Williams, Dirk Koldwynn, Coach Dean.

Girl's Varsity

Serving With Style

The tennis and volleyball teams managed to show the competitors their great ability.

The volleyball team started off the year before we were even in school. The last week of summer for us was the first week of intense conditioning for them. The seniors who came back really added to the greatness of the team. They provided the experience, skill, and leadership that is essential for high school teams. The girls tennis team played with great enthusiasm. Their love for the game motivated them to play in extreme heat and sometimes cold conditions. The competition was always tough, but one must remember that it is only a game. When they would team up in doubles, they showed that unity was something well taught at Ben Lomond.

Having a good time is all that counts. Sugar, acting like herself . . . CRAZY!

"Where did the ball go," wonders Jamie and DeeDee.

SHOOTING

our way
to victory!!!

The senior players are the likely to be the ones remembered the most this year. Eddie, a returning starter from last year, brought experience at the forward position. Shawn and Gerald did a great job on passing and controlling the guard line. Larry brought size to the center position.

Kurt did better than ever for his junior year with the help of Mike, Jamie, Scott, Nate, Skip, Steven, Shay, and William. These guys gave strength off the bench to make our team the best possible.

Working Hard

to keep
Ben Lomond
on top.

Our junior varsity basketball did almost as well as our varsity did this year. As you can tell, our J.V. team will be just as great next year as the varsity has been this year.

Our J.V. players also participated on the varsity team to learn more and get the experience for next year.

There was not only the J.V. team but also the sophomore and freshman teams out there working to build up the strength and talent to become the varsity team in the coming years for B.L.

THE SEASON WAS A TOUGH ONE ... BUT THE GAME GOES ON.

The girl's basketball team worked hard at trying to make this their best season. It turned out to be just an average one.

Just remember they gave their best and all their effort to put pride into our school activities.

GOOD LUCK NEXT YEAR!!!

Wrestling

The wrestling team this year did an outstanding job in representing our school. With only six seniors on the team, we can be positive that the team will be just as good, if not better, next year. Unlike football, wrestling is an individual sport. Each team member must work with himself to build his potential strength and confidence. All in all the wrestlers had a better than average season with the following team members placing in their respective events: Jason Spindon 98 lbs., 4TH in region; Darren Landon 112 lbs., 4TH in region; Preston Williams 126 lbs., 3RD in region; Eric Low 138 lbs., 4TH in region; Bodie Holmes 185 lbs., 2ND in region; and Jeff Peterson HWT, 3RD in region.

Run Your Way To ... VICTORY!

Victory was the name of the game this year with the Track team. They competed and did very well in the Simplot Games. At Simplot the girls' relay team took seven seconds off the Simplot record and won with pride. It has always been a long standing tradition with our team to take region, do well in State, and to give it all they've got!

Their GOAL was to ... SCORE.

Having only lost a few seniors from last year's victorious team (State Champions), this year's soccer team hopes to repeat their successful season. With new outstanding freshman. We have confidence that they will have another winning year. The coaches, Mr. Littlefield and Mr. Duke, with their strategic knowledge of soccer, teach the boys skills with vibrant enthusiasm.

We all set out to . . . Make the Laws.

The Student Body Officers for this year were the following: Rob Wilson, president; Darin Youngman, vice president; Tess Chournos, secretary; Suzanne Taylor, historian; and Stacy Syphers, business manager. They put in many extra hours to make this year for all the students at Ben Lomond. They thought of some great new things for us. The senior shirts were just one of the new things that will probably start a new tradition. They have made their contributions and it will be felt for years to come.

The Student Government was very strong this year. Everyone was actively involved and contributed their ideas to help make the activities better. They all had at least one week that they were responsible for. The senior officers had Homecoming Week and graduation. The junior, sophomore, and freshmen officers all had a week to plan activities for their classes. The Inter-Clan Officers had Scots Week. The activities were enjoyable and fun, and they created memories that will last forever.

Jamie would like to slow down the fast pace of life.

Suzanne Taylor isn't sure of what to think about graduating

"I don't get it," says Stacy.

MAKING LAWS SENATE

The Senate is made up of seven outstanding students from each grade. They are elected by their classmates. The Senate is made up of a cross section of students representing the entire student body. In order to have a representative group, no restricting standards are set on the office; there is no GPA requirement for example. The members provide a connection between the student body and the student government. They have the responsibility of helping to solve school problems and helping to promote school spirit. They elect Homecoming Royalty, Senior Best, and Athlete and Students of the Month. they do a great job and are appreciated by the administration and student body and are an important part of our school government.

Fighting for the Scottish Pride, these guys . . .

Debate the issues

This year veteran debate coach, Rob Bishop, defected to Box Elder High. He was replaced by the very able Mr. Chris Noid, who was chosen from a very large field of applicants.

Mr. Noid was an outstanding debater as a Ben Lomond student and finds it interesting to come back as the instructor instead of a participant. Mr. Noid finds himself in the unique position of having to build a debate program after Mr. Bishop's outstanding debate team was decimated by the loss of last year's seniors. Mr. Noid shares Mr. Bishop's opinion that events such as Lincoln Douglas, extem, impromptu and lege are more important than traditional debating format. The debate team spent the year honing their skills and gaining valuable experience for future encounters. The debate experience was, as always, an extremely important learning experience for the team members. The Ben Lomond students and faculty came to the conclusion that Mr. Noid was a true Scot and everyone looks forward to wrking with him in the future.

IT'S OUR . . . FAULT!

When the end of the year finally comes, students and teachers alike gather together to sign and critique the yearbook. We, the yearbookers, watch faces to get some sort of a silent approval in the form of a smile or good comment.

We would like to make a public apology to all teachers whose classes

were constantly interrupted. Sometimes when deadlines crept up on us and hovered over the yearbook room like ticks on a coonhound, we found it necessary to skip a few classes once in a while. Try to forgive us.

A lot of work goes into the book: copy for almost each page, pictures, names, and most important a whole lot of memories. Hopefully each person who receives a book will relive the year by thumbing through the pages. ENJOY IT!

"You mean the deadline is tomorrow?" says Paige Sheffield. Bro. James quizzes his class on the 10 commandments.

CHEERLEADERS . . . PROMOTING SCHOOL SPIRIT.

The 1985-86 Varsity Cheerleaders started the year out with practices every morning at 6:30 in the summer and continued through the year. During their camp, they received superior ribbons and a trophy for their evaluations. They received a spirit megaphone and an outstanding squad plaque. In the 24th of July Parade, the cheerleaders took first place with their pyramids and chants. The cheerleaders were in charge of Iron Horse Week which turned out to be a success with activities such as, the Powder Puff Game, Treasure Hunt, a pep assembly, Pizza Night, carnation selling, Tiger Hunt, Crazy Date Night. The week ended with a victory over OHS which brought home the Iron Horse. Besides all of these activities, the cheerleaders support the varsity and junior varsity football teams, boys' varsity and JV basketball teams, track, soccer-and help promote spirit throughout the school.

Always playing and never working is Jodi Douglass's trade mark.

Kathy Furlong and Danielle Miller help twith the school activities.

SPIRIT CLAN 85-86

The summer of 85" saw the start, or rather rebirth, of a pep club for BLHS. The purpose of the pep club is to provide a group of students to yell with the cheerleaders, to support the teams, and create more spirit, pride and enthusiasm at the games. The cheerleaders are responsible for working with the pep club and teaching them the cheers. Karen Mortenson is the advisor.

The summer practices started at 7:00 a.m. and the cheerleaders worked hard to get the club ready. In addition to practicing, the following officers were elected:

President	Amy Bjerke
Vice President	Tracie Taylor
Secretary	Dena Wessler
Historian	Alisa Kearn

Our first activity as a pep club was to participate in the 24th of July parade here in Ogden. We walked behind the cheerleaders and did special cheers to let people in Ogden know who we were.

The start of school and football season found us at all the home and away games cheering our football team on to a great season. We have a pep club outfit of red, white, and blue which we wear on game days at school and the games. The pep club tried its best to let everyone know who we were and that we were proud to be from BLHS.

The pep club is an activity for everyone who would like to support their school with their school spirit. It's a way of getting acquainted with everyone and is lots of fun. So why don't you come out and help us next year!

We've got spirit—Yes we do
We've got spirit—How about you?

The Bonnie Lassies's schedule for this year has been one that was full of activities. The end of last year was when it all started with try outs. As in the past, these were not open for the students to witness. After the names were announced, plans had to be made for camp, parades, and other performances that were to occur during the summer time. They went to camp up at Utah State University. This consisted of one week of strenuous practice, drills, and perfecting moves. They returned with a superior and an excellence medal. Then at the 24TH of July Parade they got to drill for two hours. They were invited to drill at Rocky Mountain at the Salt Palace. The Bonnie Lassies are always looking forward to school starting and learning new drills for the coming year. This means spending the last of their summer days getting up early and coming to the gym to practice for hours. Now that it is all over, we can look back and appreciate the Bonnie Lassies for all their hard work and time.

Along with long hours of practice and dedication, the band added to the school spirit during games and assemblies, and provided entertainment during evening shows and state competitions. On behalf of the student body of Ben Lomond High School, we would like to thank the band and Ms. Nina Budura for all of their time and effort.

Singing with Style . . .

It was a great year for all of the choirs as Mrs. Moulton worked with her students to tune their voices and provide cultural entertainment for our school. They performed at assemblies and at special evening performances, such as their Christmas Concert. They also go on tour each year. The Modern Choir is a select group of singers made up of juniors and seniors with one or two exceptions. They are a very talented group who add much to the choir program. Concert Choir is a large group with excellent voices. The Modern Choir is made up of Concert Choir members. Scottish Choir is for sophomores and freshmen. It prepares them for the other choirs later on. Bonnie Aires is an all-female choir. They are an A cappella choir with sophomore, junior and senior members.

Robin Carney boogies into the night only half confused.

The R.O.T.C. participated in many events this past year and in nearly every event they recieved a trophy of some sort. The Ranger Platoon participated in a Mountaineer Training at Callao, Utah for four days. The Color Guard team took part in the Pioneer Day Parade down Wasington Blvd. on July 24. Also the entire JROTC Battalion, The Color Guard, and the Boys and Girls Drill Teams participated in the Holiday Festival Parade in Salt Lake City. The JROTC received an award of recognition for being the best JROTC in the parade. The Scots Rifle Team prepared for the annual NRA competition of which the Scots are defending champions. The Scots Rifle Team has been state champs for seven years and they looked great again this year. In April, the annual awards ceremony took place in which they recognized the outstanding cadets of the Battalion. The JROTC has added much spirit to BL, not only in receiving awards but also in the games when presenting the flag and we'd like to thank them for that.

Inter Clan Officers

Jennifer Nicholas
Secretary

Being an Inter Clan Officer has really been a great opportunity for me. It has given me the chance to work with a bunch of super people and for a wonderful studentbody. I've learned what it takes to be a leader and I'm grateful for this experience. SCOTS ARE GREAT!!

Chris Knapp
President

I have always wanted to be actively involved in high school. Being given the chance to be Inter-Clan President was something I decided I wanted to do a long time ago. My job was to organize the clans, help to keep them going. In January, the Inter-Clan was responsible for the Gathering to the Clans Assembly. The year was busy but I enjoyed it. Thanks Scots!

Jill Hislop
Vice President

I really enjoyed being the Inter Clan Vice President. I have learned how to talk to teachers and administration. I learned how to organize things such as the time, etc. It has been really fun working with Chris and Jennifer, they've taught me a lot. I have also had the pleasure of working with the student body officers.

Ben Lomond's Black and Spanish Clans . . .

Ben Lomond's Black and Spanish clans play an important part in Ben Lomond High. The Spanish Clan is a very active group and they have many activities. They all have matching sweat-shirts with their names on them which they wear often and with pride. They also participated in the Gathering of the Clans assembly. The Black clan is made up of an excellent group of Black students here at Ben Lomond. They are outstanding scholars and superb athletes.

As the year comes to an end, there are some people who need recognition for their effort in producing this year's year book. The cover was designed by our own art teacher Mr. Stevenson. Special thanks goes to him for taking his time to do this. To Mrs. Dinsdale, who saved us numerous hours by letting us use her computer. To all the faculty, who patiently put up with us as we interrupted their classes again and again to get some kids out for pictures. To Mr. Sant, who allowed an assembly for a senior group picture. And to the Clansman staff for all their hard work. Thanks to Mr. Bagley for photography.

Aaron,

SCHOOL SONG

In the future as we remember
Where e'er we go throughout this
Happy, glorious land,
Ben Lomond in all her virtue.
Our glad hearts will fill with pride
And we will stand
To honor Our Alma Mater.
Her loyal sons who learned
Her hardest lessons well—
Ben Lomond, we praise thee
And our hearts with music swell.
We stand for thee Ben Lomond—
In honor today.
We will see the highlands ringing
With our victory lay.
Red, Blue and White flying in the sky,
Her colors lifting her spirits high.
The loyal Scots remember—
Ben Lomond for aye.

—J.F. Groux

BLHS FIGHT SONG

We're the friendly, Fighting Scots.
Rugged men of Ben Lomond High School.
We will always cheer for our team
And praise the name of our great school.
We lead the league in sportsmanship.
We are the fearless Scots.
Fight with all our pwwer and might,
And we'll keep Ben Lomond on top!
Fight! Fight!
Fight for the red and the blue and the white.
Fight! fight!
Fight for the Scots and the plaid and the team.
We're the friendly, Fighting Scots,
Rugged men of Ben Lomond High School.
We will always cheer for the team,
And build the fame of our great school.
We lead the league in sportsmanship,
We are the fearless Scots.
Boost Ben Lomond to the sky,
And we'll sing her praises ever more.

Aaron, It was
fun taking you to
the sun tan clinic.
Actually the fun part
was looking at you drawing
in the rain storm. Stay

tan. Have a great
life. Love,
DAMI

Aaron
you a doll
but you need
to smile!
Stay super
cool and
have a great
life.
